ORDINANCE #748

AMENDMENT TO §297-22 GOVERNING STREETS AND SIDEWALKS

WHEREAS Mayor and Council have determined that many times property owners and/or their agents place limbs, logs, grass clippings, trimmings and other litter on the street/sidewalk adjoining their property without specific permission to do so;

WHEREAS the Mayor and Council are desirous of curtailing the use of DPW services to police and prevent such practices within the Borough;

Whereas the Borough of Harrington Park provides a service through the DPW to collect leaves during specifically prescribed seasons for the benefit of resident's seeking to maintain their property by depositing leaves at curbside. The placement of leaves, limbs, trunks, logs or other garden related products at curbside except during prescribed periods has a large financial impact on the Borough of Harrington Park. The Borough has enacted and provides specific dates for collection and removal of such material in a prescribed manner through its trash hauler.

NOW THEREFORE BE IT ORDAINED by the Mayor and Council of the Borough of Harrington Park as follows:

§297-22 shall be amended and a new subparagraph (a) to state as follows:

(a) No resident/or agent of the resident shall place or deposit any such garden waste, litter as referenced herein at the curb or in the street or upon such sidewalk at any such other time as prescribed Borough Policy or by specific agreement with the DPW. Jurisdiction for enforcement shall be the Property Maintenance Inspector.

Property owners who were in violation of said provisions shall be given notice of such violation either by mail or delivery to the owner of such property who shall be given 10 days to properly bundle and dispose of such litter consistent with the Borough policies established for its removal;

Any such property owner failing to rectify such violation as prescribed herein shall be issued a summons the penalty for which shall be \$250 per day for each day that the violation continues in addition, at the direction of the court if necessary the DPW may remove such encroaching material on a time and material basis, costs to be certified by CFO and which will be added to any fine.
